

# BESSEY® Product Training

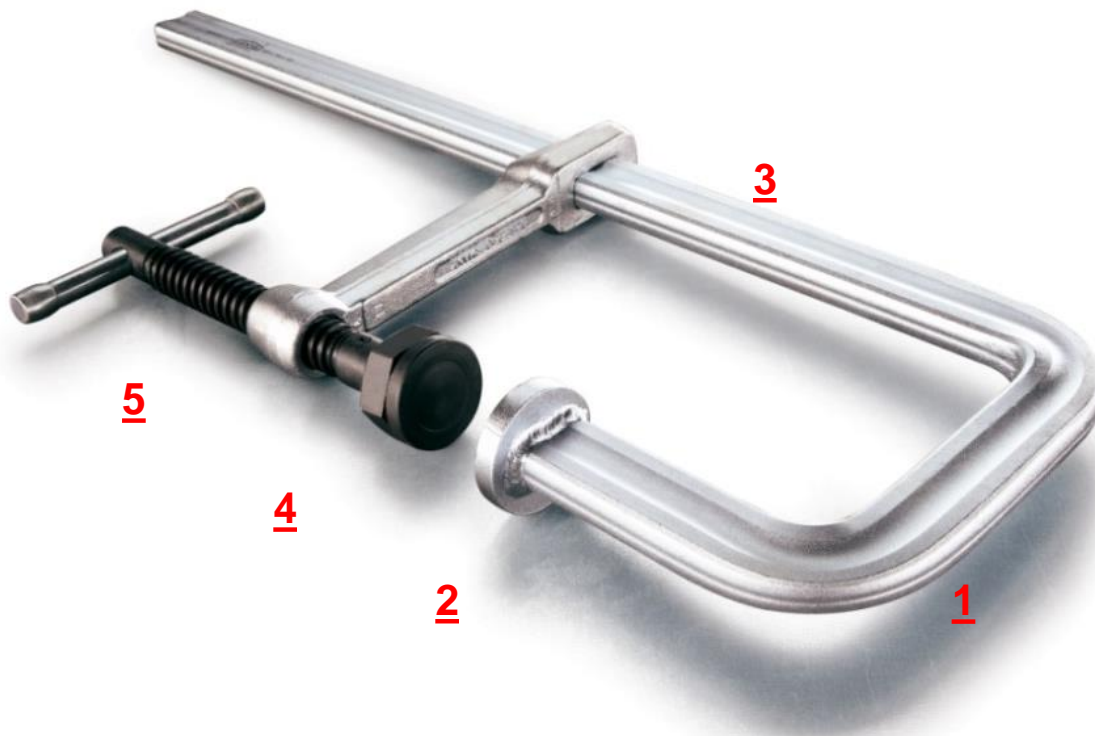

**BESSEY® Tools North America**  
**Specialty all-steel clamps: J Series**

# Specialty all-steel clamps: J Series step-over

Simply better.

- 1) The return rail lets the clamp “step over” obstructions
- 2) Replaceable MorPad tilts to 35 degrees
- 3) Forged steel sliding arms
- 4) Tempered Spindle with hardened ACME thread
- 5) Sturdy Tommy Bar Electro-galvanized sliding pin T-Handle
