

BESSEY® Product Training

BESSEY® Tools North America
Premium all-steel: classiX® series

Traditional all-steel bar clamps: classiX® series

❑ classiX® series features

- 15 SKUS
- Pressure options of 550, 880, 1000, 1200 and 2660 lbs
- Lengths from 4" to 24"
- Classic profiled rail

❑ Great value

- Profiled rail, spatter resistant spindle and simplified heavy duty pad offer great value for industrial use.

❑ Global product platform

- A world wide common platform of popular clamp styles & sizes that allows for high volume production runs.

❑ Quality control

- Internationally sourced components coordinated by BESSEY® quality control and engineering departments ensures great prices and great quality.
