

Limited Promotion Set

MFT SPECIALS

Promotional set with clamping tools for working on the table as e.g. Festool MFT and Sortimo WorkMo with hole diameter 20 mm

Order No.: MFT-A
Only € 109,00*

* + VAT. While stocks last!

Horizontal fixture clamp WNS (2 pcs. in set)

- For using on tables and with a plate thickness of min. 19 mm
- Quick fixing thanks to clamping levers on the side
- Makes full-surface working of the workpiece possible – even round and flat parts
- Patented pull-down mechanism prevents the workpiece from lifting from the table surface when clamping – even without fastening screws

Clamping element for multifunction tables TW-KLI (2 pcs. in set)

- For using on tables with hole diameter of 20 mm and plate thickness of min. 19 mm
- Stable sliding arm made of light magnesium for rapid, vibration-proof clamping
- Profile made of cold-drawn quality steel for flexible and elastic clamping
