

All-steel track/table clamp

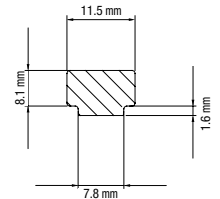

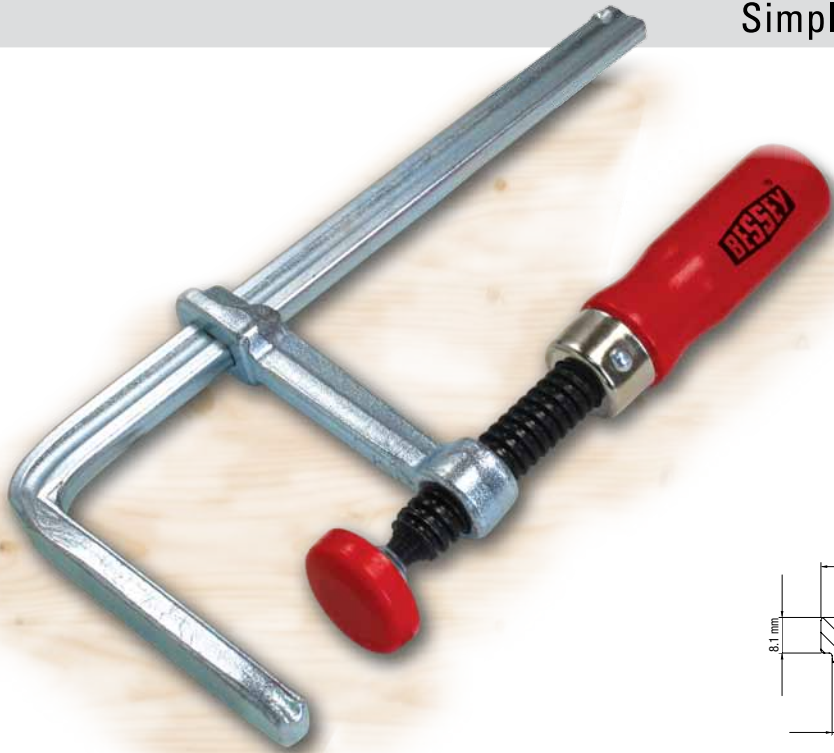

GTR

Simply better.

Features & Benefits

- Forged fixed arm for 12mm x 8mm grooves
- Track saw guide slots make for secure and fast clamping
- For holding materials safely and securely on MDF tables that are equipped with matrix holes and T-tracks

All-steel table clamp (GTR)

- High clamping force for safety
- Ergonomically shaped wooden handle

	Clamping Capacity	Throat Depth	Nominal Clamping Force	Weight
GTR12	4 1/16"	2 5/16"	400 lbs	0.66 lbs
GTR16B6	6 5/16"	2 5/16"	400 lbs	0.71 lbs
GTR30B6	11 13/16"	2 5/16"	400 lbs	0.90 lbs

All-steel table clamp (GTRH)

- Versatile – clamping force is variable, ratchet action
- Rapid – up to 5 times faster than conventional clamps
- Secure – lever / ratchet unaffected by vibrations
- Strong – clamping force up to 540 lbs nominal clamping force

	Clamping Capacity	Throat Depth	Nominal Clamping Force	Weight
GTR16S6H	6 5/16"	2 5/16"	540 lbs	1.17 lbs
