

# Strap clamps

Simply better.

## Clamp any shape

Clamping large or odd shapes with straps is not new; however, most strap clamps exert force (pull) in only one direction which can easily distort/skew the work piece. BESSEY®'s VAS-23 is different, it pulls equally on both ends of the strap, eliminating the chance of skewing your work piece to one side. The high tensile woven polyester strap is extremely strong with a built-in take up reel that neatly stores the excess strap; eliminating a potential tripping hazard.

### 1 Strap is drawn in on both sides

The strap draws simultaneously from both sides ensuring pressure is applied equally on all corners without distortion.

### 2 Integrated coiling mechanisms

Integrated rewind mechanism is operated with a crank handle which eliminates tangling and damage to the strap.

### 3 Practical Vario corners

Vario clip corners with twin-tilting pressure pads auto-adjust from 60° to 180° for easy assembly of most multi-angle projects.

### 4 Extremely resistant

The special woven polyester band provides high resistance to tearing, and a clamping range of 23 ft. The steel wire loop opens quickly and simply to adjust or release glue-up.

### 5 BESSEY comfort handle

The 2K composite handle with comfort insert comes standard.

## Variable angle strap clamp with 2K composite handle, VAS

High quality strap clamp places even pressure on mitre joints. Applies a positive, even pressure on all joints, perfect for clamping square, round, rectangular or irregular shapes. Comes with 4 pivoting Vario corners.

	Clamping Capacity	Range of Angle	Approx. Weight
VAS-23+2K	Up to 23 feet	60° to 180°	1.27 lbs

## Strap clamp with 2K composite handle, VAS

High strength strap clamp places even pressure on all corners. Applies a positive, even pressure on all joints, perfect for clamping round or irregular shaped objects. Comes with 3 movable corner guides, high strength strap, and ergonomic 2 component handle.

	Clamping Capacity	Approx. Weight
VAS400	Up to 12 feet	1.06 lbs

## Vario corner clips (VAC)

A great accessory to the Variable angle clamp (VAS-23+2K). Twin-tilting pressure pads. Corner clips auto adjust to pressure.

	Package Includes	Range of Angle	Approx. Weight
VAC-6	6 corner clips per pkg	60° to 180°	0.26 lbs
