

# Strap clamps

Clamping large or odd shapes with straps is not new; however, most strap clamps exert force (pull) in only one direction which can easily distort/skew the work piece. BESSEY®'s VAS-23 is different, it pulls equally on both ends of the strap, eliminating the chance of skewing your work piece. The high tensile woven polyester strap is extremely strong with a built-in take up reel that neatly stores the excess strap; eliminating a potential tripping hazard.

**1 Strap is drawn in on both sides**

The strap draws simultaneously from both sides ensuring pressure is applied equally on all corners without distortion.

**2 Integrated coiling mechanisms**

Integrated rewind mechanism is operated with a crank handle which eliminates tangling and damage to the strap.

**3 Practical Vario corners**

Vario clip corners with twin-tilting pressure pads auto-adjust from 60° to 180° for easy assembly of most multi-angle projects.

**4 Extremely resistant**

The special woven polyester band provides high resistance to tearing, and a clamping range of 23 ft. The steel wire loop opens quickly and simply to adjust or release glue-up.

**5 BESSEY comfort handle**

The 2K composite handle with comfort insert comes standard.

**Variable angle strap clamp with 2K composite handle, VAS**

High quality strap clamp places even pressure on mitre joints. Applies a positive, even pressure on all joints, perfect for clamping square, round, rectangular or irregular shapes. Comes with 4 pivoting Vario corners.

	Clamping Capacity	Range of Angle	Approx. Weight
VAS-23+2K	Up to 23 feet	60° to 180°	1.27 lbs

**Strap clamp with 2K composite handle, VAS**

High strength strap clamp places even pressure on all corners. Applies a positive, even pressure on all joints, perfect for clamping round or irregular shaped objects. Comes with 3 movable corner guides, high strength strap, and ergonomic 2 component handle.

	Clamping Capacity	Approx. Weight
VAS400	Up to 12 feet	1.06 lbs

**Vario corner clips, VAC**

With twin-tilting pressure pads the vario corner clips are a great accessory to the Variable Angle Clamp (VAS-23). The corner clips auto adjust to pressure with a range of angle of 60° to 180°.

	Package Includes	Range of Angle	Approx. Weight
VAC-6	6 corner clips per package	60° to 180°	0.26 lbs
